PREFACE

National Archives of India has a programme for compilation of suitable reference media of Cartographic records. This Department has brought out several publications based on these materials mainly 'Catalogue of Historical Maps', 'MRIO Miscellaneous Maps', 'Forest Maps', 'Printed and Published Maps', 'Memoirs of the Survey of India', 'Catalogue of Revenue Maps', Volume-I, Volume-II (in four parts) Volume-III, and Volume IV, Part-I so far.

The present 'Catalogue of Revenue Maps' Volume-IV Part-II contains maps of the areas and districts of former North-West provinces and United Provinces (Present Uttar Pradesh) covering the period from 1837 to 1893. These are large scale topographical maps showing details of surveys conducted by the Survey of India on the boundaries and plans of villages, talukas, towns, cities and cantonments during the last century. In this catalogue 2151 maps have been arranged in an alphabetical order from 'D' to 'G'. Some interesting maps relating to villages of the Districts of Dehradun, Etah, Faizabad, Farruckabad, Fatehpur, Garhwal, Ghazipur & Gonda have also been included in this volume which provides valuable information on the conditions of the people of these areas alongwith statistical information.

Finally, thanks are due to a number of colleagues, Servashree Nanak Chand, Archivist, Zile Singh, Asstt. Archivi and Smt. Sunita Kalra, Assistant Director of Archives for the assistance rendered in bringing out this compilation work. Smt. Seema Kohli L.D.C. made the typescript ready.
