PREFACE

National Archives of India, has a programme for compiling suitable reference media for its rich collection of cartographic records. Under this programme it has already brought out fourteen publications, viz. Catalogue of Historical Maps, Catalogue of Forest Maps, Catalogue of Printed and Published Maps (in two parts), Catalogue of Memoirs of Survey of India, Catalogue of MRIO Misc. Maps, Catalogue of Revenue Maps Vol. I, Vol. II (in four parts) and Vol. III. The present Catalogue of Revenue Maps of Survey of India Vol. IV comprises of four parts out of which two have already been published and this Catalogue is third in the series. In this Catalogue 1860 Revenue Maps have been arranged Chronologically and description has been made lucidly.

The present Catalogue of Revenue Maps Vol. IV Pt. III contains maps of areas and Districts of former North-West Province and United Province (present Uttar Pradesh) for the period 1839-1881. There are large scale Topographical Maps showing details of surveys conducted by Survey of India on the boundaries and plans which have been marked by the hand sketches and various types of colours. There are quite a sizeable number of village plans, tabular statements and statistical indexes of the related areas. Some interesting maps provide valuable information on the life and conditions of people of Kheri, Hardai, Hameerpoor and Jaunpur. These maps throw light on Climates, Soil, Religion, Literature etc. of the region.

I hope that the catalogue of Revenue maps Vol. IV, Pt. III with such informative contents will facilitate the scholars in completing their research pursuits, while working in the Research Room of the National Archives of India.

Finally, I am thankful to my colleagues for compiling the present Volume which is the outcome of a combined effort made by Dr. Arun Kumar Srivastava, Dr. (Smt.) Malti Sharma, Archivists, Shri Dharambir Singh, Asstt. Archivist who worked hard under the close guidance and supervision of Dr. P. C. Pardhan, Asstt. Director of Archives and Shri H. D. Singh, Deputy Director of Archives, Smt. Seema Kohli and Shri Dinesh Kumar have sincerely and nicely made the typescript ready.
