PREFACE

National Archives of India, has a programme for compiling suitable reference media for its rich collection of cartographic records. Under this programme it has already brought out fourteen publications, viz. Catalogue of Historical Maps, Catalogue of Forest Maps, Catalogue of Printed and Published Maps (in two parts), Catalogue of Memoirs of Survey of India, Catalogue of MRIO Misc. Maps, Catalogue of Revenue Maps Vol. I, Vol. II (in four parts) and Vol. III. The present Catalogue of Revenue Maps of Survey of India Vol. IV, Part-IV comprises of four parts out of which three have already been published and this Catalogue is fourth in the series. In this Catalogue 2118 Revenue Maps have been arranged chronologically and their description has been made lucidly.

This Catalogue of Revenue Maps contains maps of areas and districts of former North-West Provinces and United Provinces (present Uttar Pradesh) for the period 1833-1893. There are large scale Topographical Maps showing details of surveys conducted by Survey of India on the boundaries. There are also plans which have been indicated by the hand sketches and various types of colours. There are quite a sizeable number of village plans, tabular statements and statistical indexes of the related areas. Some interesting maps provide valuable information on the life and conditions of people of Lucknow, Roy-Bareilly, Benares, Pileebheet, Oonao, Muzaffarnagar, Sultanpur, Meerut, Mathura, Lulutpoor and Oudh. These maps throw light on Climate, Soil, Religion Literature etc. of the region.

I hope that the Catalogue of Revenue maps Vol. IV, pt. I with such informative contents will definitely help research in pursuits of their research particularly in the field of history and geography of Uttar Pradesh. Finally, I am *

thankful to my colleagues for compiling the present Volume which in the outcome of a combined effort made by Dr. (Smt.) Malti Sharma, Dr. Arun Kumar Srivastava, both Archivists and Shri Dharambir Singh, Asstt. Archivist who worked hard under the close guidance and supervision of Dr. P.C. Pardhan, Assistant Director of Archives and Shri H.D. Singh, Deputy Director of Archives. Smt. Seema Kohli and Smt. Tripta Mahajan have sincerely and nicely made the typescript ready.
