Data of certain accuracy is **Restricted** and that can be supplied only
Ministry of Defence.

JURVEY OF INDIA

India is the *National Survey and Mapping Organization*
nder the Ministry of Science and Technology, and is the
epartment of the Government of India. It was set-up in

and staff have to pioneer untrdden lands for others to follow
y have to go to the deepest forests, deserts and swamps,
ers of the land, to the lowest coastal belts and the highest
in fact they are the first to reach virgin and uninhabited
ceaselessly, faithfully and unobtrusively toil to produce
rial for development, defence and administration. In the
miliar with each and every corner of the country and its
mingle with the soil and the dust and the people of India.
o their motto "A SETU HIMACHALAM", which means
rin to the Himalayas".

WHAT IT DOES

of India acts as adviser to the Government of India on all
viz geodesy, photogrammetry, mapping and map
ever, the main duties and responsibilities of the Survey
rated below:-

control (horizontal and vertical) and geodetic surveys
e predictions for 40 ports in Indian Ocean, Arabian Sea
(Bengal, in the region from Suez to Singapore) and allied
surveys.

ical control, surveys and mapping within India.

production of geographical maps and aeronautical
development projects.

sts, cantonments, large scale city surveys, guide maps,

mapping of special maps e.g., riverain areas and
explorations authorised by the Government of India.

geographical names.

of the external boundaries of the Republic of India, their
maps published in the country and also advice on the
of interstate boundaries.

icers and staff required for the department, trainees from
overnment Departments and States and trainees from
ries as are sponsored by the Government of India.

Development in cartography, printing, geodesy,
etry, topographical surveys and indigenisation.

and control in providing aerial photographic cover over
the country.

the above responsibilities, the Survey of India renders
ation on all kinds of surveys and cartographic matters
Ministries and Departments of the Government of India
organisations requiring their services.
